SATINWOOD 15

INTERNAL 139.2M²

BUILDING
HOMES SINCE
1975

The Satinwood is a large, three-bedroom home perfect for a growing family and those who love to entertain.

With 3 bedrooms, open plan kitchen, dining and family area, as well as a separate lounge room and entry hall, this home has everything you need in a convenient and well thought out design. The master bedroom features walk in robes, and an ensuite with shower and a luxurious bath for relaxing. The 2 other bedrooms are located near a separate bathroom, both of which also have built in robes.

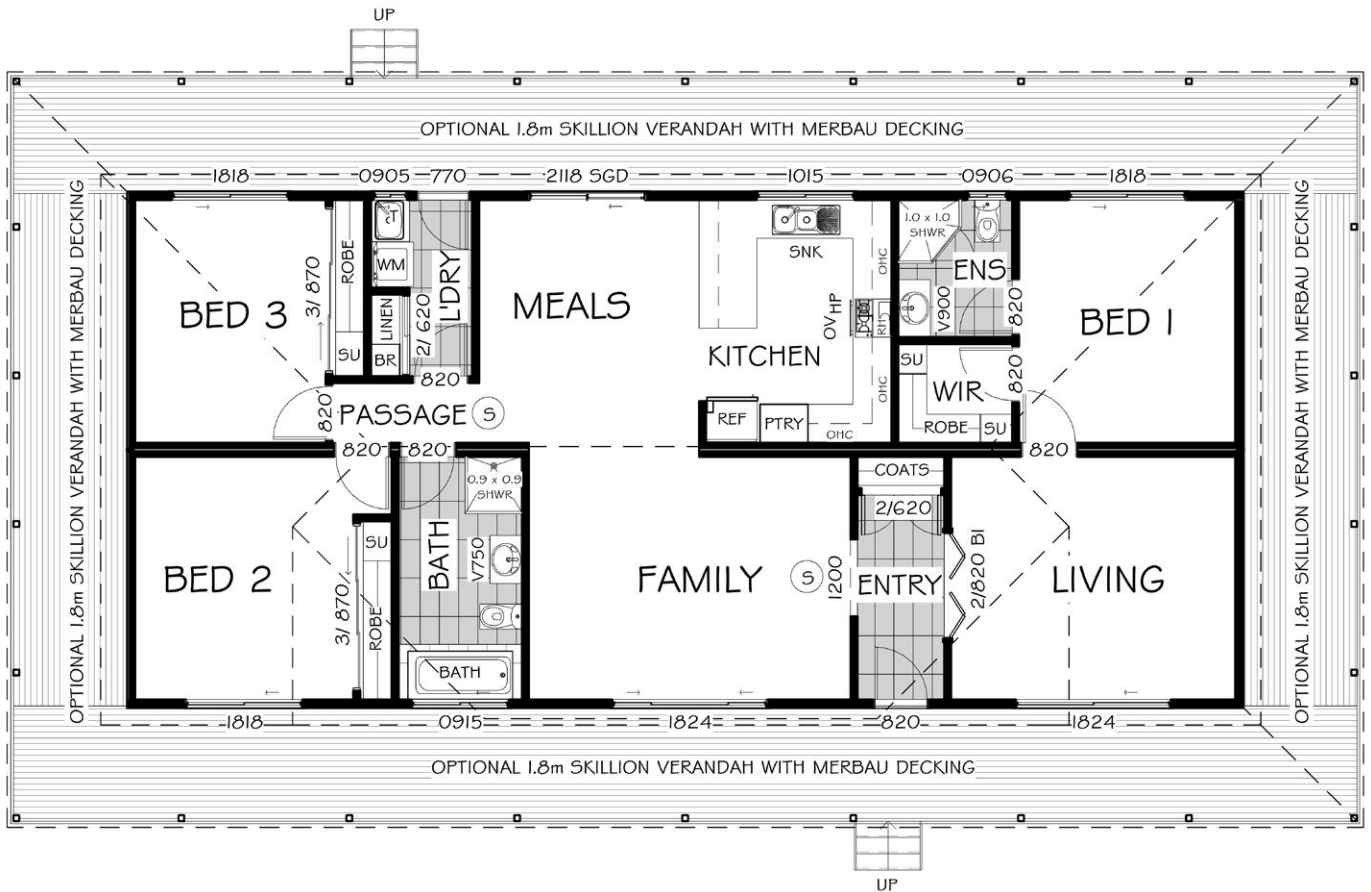

The lounge room opens up off the entry way, while an open plan family, kitchen and dining area offers ample space to cook and eat together and is perfect for entertaining. The family and dining area features a high raked ceiling and connects to the optional verandah.

The traditional, country style façade and gables can be brought to life with fretwork and custom details that will set your home apart from the others in the area and give you the authentic country style look and feel. An optional wrap-around verandah also provides an outdoor area to enjoy your surroundings and relax in the warmer months.

Check out our list of inclusions as standard – we think you will be pleasantly surprised.

Swanbuild is your custom country and contemporary home expert. Flexible in design, exceptional customer service and rapid quality-controlled construction.

At Swanbuild we understand that there is no 'one size fits all', yet to totally design a custom home from scratch is time consuming, requires vast experience and can be a daunting task. With over 35 years' experience in the building industry, we've refined a construction system that is completely unique compared to that of project homes, kit homes and onsite building.
