BUILDING
HOMES SINCE
1975

The Kempton 10 home has been designed to suit a relaxed and fulfilling lifestyle. Perfectly sized to suit retirees or first home buyers, this home will allow you to enjoy a truly balanced lifestyle.

The home features a dedicated entranceway which leads to a spacious living area. Each of the two bedrooms are complete with their own built-in robes and there is a large laundry which allows for plenty of storage room. In addition to this, there is a dedicated linen cupboard in the hallway and coat robe in the front entry, so you will never find yourself short of storage.

A full-sized bathroom which features both a shower and a bath completes the Kempton 10 home design. At Swanbuild, we specialise in customising our modular homes to suit your specific wants and needs.

If you love the Kempton 10 design and think it might be the perfect home to live your dream lifestyle, let us help you design it to your requirements.
