BRANTLEY 8

INTERNAL 76.2M²

BUILDING
HOMES SINCE
1975

The Brantley 8 is a cosy floor plan, perfect for those looking for a home away from home at their favourite holiday destination, or those looking for a home that requires a little less upkeep.

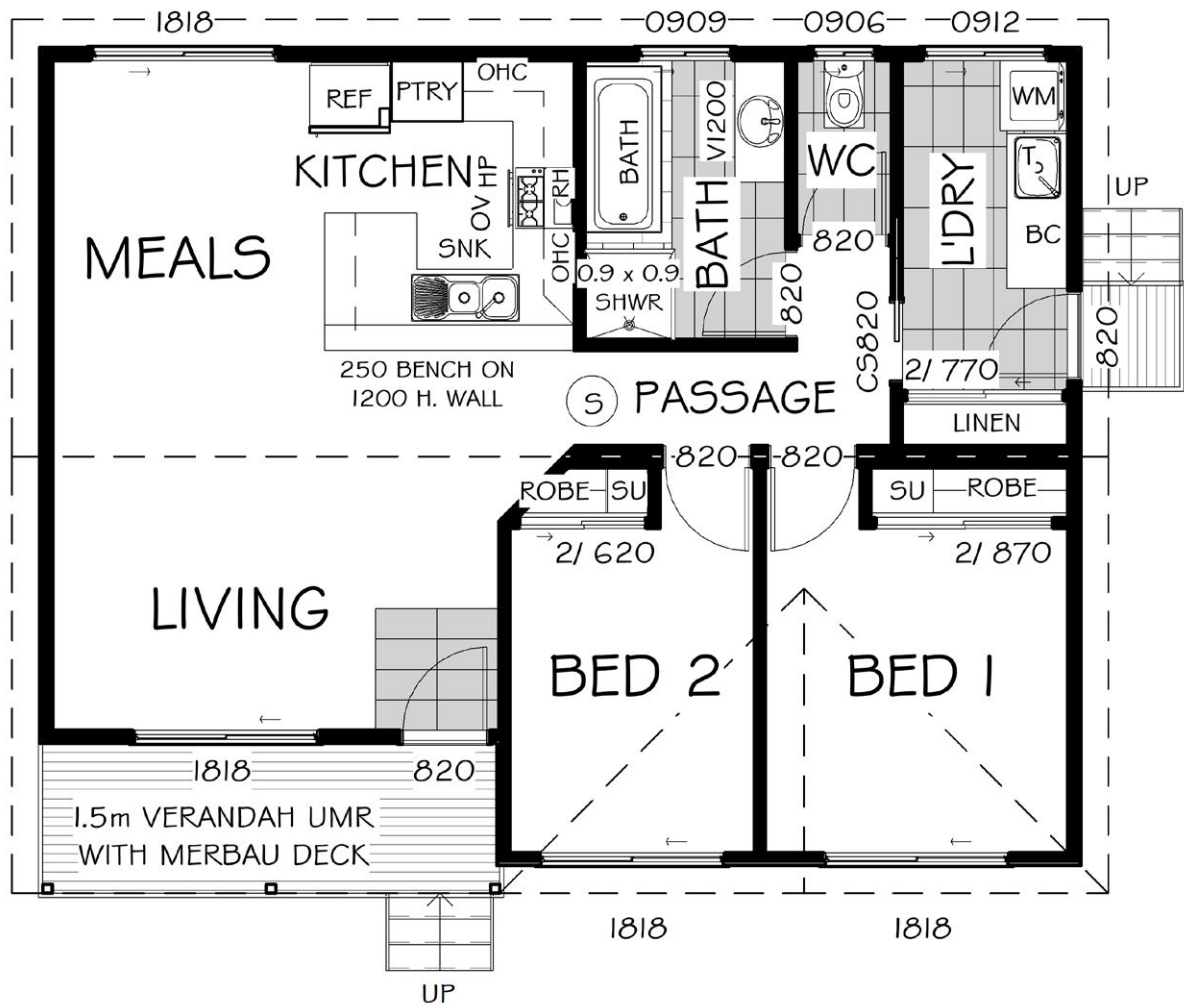

The open plan kitchen, dining and living area with high raked ceiling creates a light, open space that is perfect for the family to enjoy time together. Both bedrooms include built-in robes and large windows to take in the outside views.

The included front verandah gives you a space to enjoy relaxing outside. This is the perfect home for compact living, with the space to live comfortably, but not too much to manage.

Check out our list of inclusions as standard – we think you will be pleasantly surprised.

Swanbuild is your custom country and contemporary home expert. Flexible in design, exceptional customer service and rapid quality-controlled construction.

At Swanbuild we understand that there is no 'one size fits all', yet to totally design a custom home from scratch is time consuming, requires vast experience and can be a daunting task. With over 35 years' experience in the building industry, we've refined a construction system that is completely unique compared to that of project homes, kit homes and onsite building.
