# HAMPTON 15

INTERNAL 139.2M<sup>2</sup>

BUILDING  
HOMES SINCE  
**1975**

The Hampton 15 is a compact family home, with large communal living areas that cater to fun times with family or friends.

This floor plan comprises three large bedrooms, the master bedroom with an ensuite and walk through robe. The other two bedrooms also have built-in robes that provide plenty of storage space for you and your family.

The living area opens off the entryway and leads to a large dining area. The open plan kitchen and family room makes it easy to prep and organise meals in a relaxed space the whole family can enjoy.

The optional wrap around verandah that encompasses the home creates a perfect spot to enjoy a drink or soak up the evening atmosphere, taking in the views from your new home.

The ample living areas allow parents and children their own space, while still having enough room to come together.
