The Jackson 11 combines a comfortable, indoor living environment with easy access to the outdoors.

This design includes 3 bedrooms; a master bedroom offering a generous-sized walk-in robe, a second bedroom with built in robes and storage unit, plus a 3rd bedroom which could easily be used as a study or home office.

The standard home design features one bathroom, along with a built-in linen closet. A full-sized laundry room offers plenty of space and room for additional storage.

A large open plan kitchen, dining and living area are positioned near the rear of the home, creating a homely space to relax and eat with friends and family. Sliding glass doors are located off the living area, providing easy access to an optional outdoor deck where you can relax and enjoy the sights and sounds of nature. The standard design also offers an optional additional deck space at the front of the home, making access to the outdoors a breeze.

The Jackson 11 is perfect for those who are looking for a flowing and thoughtfully built home where you can the outdoors as much as the indoors.
